

## BAP Initiation Waiver

By signing this waiver, I hereby agree that I must maintain a minimum GPA of 3.0 both cumulatively and in my accounting courses at California State Polytechnic University of Pomona. As a candidate of Beta Alpha Psi, I understand that I must attend, at the minimum, 50% of general meetings, one social or community service event, and attempt to attend all professional events hosted by Beta Alpha Psi.

**Requirements – 3.0 Accounting GPA** – As a candidate of BAY, I understand that I must have an average GPA of 3.0 or higher in my accounting courses above ACC 2080 (Managerial Accounting).

**Requirements – 3.0 Cumulative GPA** – As a candidate of BAY, I understand that I must have a 3.0 GPA average at the minimum in all of my academic courses.

**50% of General Meetings** – As a candidate of BAY, I understand that I am required to attend, at the minimum, 50% of all general meetings for the semester I am initiating in. You are required to sign in at the beginning of all meetings.

**Social and Community Service Events** – During my semester of initiation, I understand that I am required to complete 8 community service hours plus one social event. Multiple events are held throughout the semester. It is extremely important to attend these events to meet other members, candidates, and officers.

**Professional Events** – BAY will make every attempt to host professional events throughout the year. These events are aimed to develop a student's interpersonal, networking, communication, and leadership skills.

If a candidate does not meet the previous said requirements, they may not be able to join the organization. Candidates may try again the subsequent semester.

Upon initiation, members are required to satisfy the professional and service hour requirements of the Beta Alpha Psi National Headquarters. A student must attend 16 hours of professional events (evening meetings can be used to satisfy these hours), 12 hours of community service, and 4 hours of social events hours annually.

Our vision for Beta Alpha Psi at Cal Poly Pomona is to enable students to become more engaged in their academic and professional development. BAY will make every attempt to allow you not only to grow as a student, but also as a professional.

We hope that by joining this organization, you will become more engaged in academics, giving back to the community, and more knowledgeable in the accounting profession. On behalf of Beta Alpha Psi, I, Clark Perez, invite you to take the next step in your career.

I hereby agree that I have read and understood the previously said requirements. I understand that if I do not meet one requirement, I may not be able to initiate.
